

Introduction

1

Do you support the council's aim to reduce the dominance of motor vehicles and give greater priority to pedestrians, cyclists, public transport users and local residents over through motor traffic?

- ☐ Strongly support
- ☐ Support
- ☐ Not sure
- ☐ Oppose
- ☐ Strongly oppose

2 Please prioritise the six objectives that underpin the strategy: (please number in the box from 1 to 6 - 1 is the highest priority and 6 is lowest).

Objective 1: Ensuring that the transport network supports the local economy and meets the current and future needs of the borough in a sustainable way

Objective 2: Reducing car use and the need to travel through the appropriate location of new development, and travel plans and awareness campaigns.

Objective 3: Enabling Smarter Travel Choices, particularly by improving and encouraging walking, cycling and public transport.

Objective 4: Reducing the harmful Effects of Transport on Health and the Environment and its Contribution to Climate Change.

Objective 5: Improving the Safety and Security of Road Users, particularly Pedestrians, Cyclists and Public Transport Users.

Objective 6: Enhancing Transport Accessibility for All and Improving the Public Realm and Street Design
